# A little bit about myself

- Professional background: BA in English Philology (Vytautas Magnus University, Lithuania) and Master of Education (Dundee University, Scotland).
- Over 11 years of international experience in childcare and education (Lithuania, Turkey, Oman, Spain).
- Extremely passionate about student leadership and ownership (publishing my work in international educational journal soon).
- Social emotional development and wellbeing / differentiation/ projects and student-led inquires.

# What teaching means to me?

- Learning needs to be meaningful and authentic.
- Positive relationship building and communication with students and their families.
- Students' wellbeing significance.
- Motivation/ engagement/ critical feedback and reflection in daily learning.

# Year 3 Expectations

- Show respect and consideration towards peers.
- Making good informed choices.
- Positive attitude - Always try your best!
- Maintain a tidy and safe learning environment.
- Agendas for children - self-management skills.
- Promote student agency and ownership.
- Develop approaches to learning skills through varied activities.

# Units of inquiry for the year (Central Idea)

Who we are: *Learning from significant events expands understanding of our rights and responsibilities.*

Where we are in place and time: *Past civilizations influence present day societies.*

How we organise ourselves: *Understanding the needs of others enables us to create appropriate products or services.*

How we express ourselves: *Art enables us to express and communicate ideas, thoughts and feelings.*

How the world works: *Forces affect the world we live in.*

Sharing the planet: *Living things rely on natural resources for survival.*
