The Year 1
Team

Effective teacher

In Year 1, we promote the process of building a child's confidence through good communication with the parents, the teachers and children. Through this, we create a strong classroom community of curious learners that promotes deep thinking and inquiry.

Through differentiation in all subjects, we encourage and motivate our students.

We have many children from across the globe, so we promote internationalism in the classroom.

Classroom conditions

Safe-to-fail environment

Challenging but reasonable work

Authentic, worthwhile tasks

Encouraging and motivating language from both teacher and student

Year 1 Expectations

More autonomy

More responsibility and greater emphasis on creating self-regulated learners

Self-management skills

Student-led conferences

Units of inquiry for the year (Central Idea)

Who we are: Everyday choices affect people's relationships.

Where we are in place and time: Through discovery and navigation we can find different locations.

How we organise ourselves: Communities change according to the needs of people.

How we express ourselves: Exploring fictional narrative enables us to explore different cultures.

How the world works: Changing seasons affect the weather in different places around the world.

Sharing the planet: Recognising the characteristics of living things allows us to understand how they adapt to their environment.

Class Schedule

9.00 - Class starts

10.30 -11.00 Morning break with snack

11.00 -12.00 Lessons

12.00 -12.30 Lunch

12.30-1.00 Patio

1.00 - 3.00 Lessons

3.00 - 3.30 Afternoon break with snack

3.30 - 4.20 Lessons

4.25 Home time

After 4.25 Collect from the gym.

Homework

Reading log: 10 minutes of reading every night

Homework sent home on Friday to be completed by the following Friday

Spellings are sent home when Read Write Inc. begins.

Show and Tell on Thursdays and Fridays.

We will occasionally use Seesaw to share learning activities that the children can do at home.

Communication with families & APPs

Email: gjohnston@stpeters.es, twelch@stpeters.es

Meetings: Term 1 and 3 (if requested)

3 reports (Term 1, 2 and term 3) + student-led conference Term 2

Use of electronic devices

Starting in year 1, we will begin using the class iPads with Innovamat, our maths programme.

Uniform
